ECO-CERT PLY®
Premium Certified Underlayment

- ✓ **Warranty:** backed by our **Multi-Year Guarantee**

- ✓ **Eco-Cert Ply is Green:** All wood used in ECO-CERT PLY comes from sustainable and plantation grown forests. Go green ! We use no tropical hardwoods.

- ✓ **Superior Performance:** This product has been installed in thousands of job sites all over the world.

- ✓ **Vinyl Industry Certified:** ECO-CERT PLY is perfect for use under vinyl floors. We use an exterior glue bond, as required by vinyl manufacturers' warranties.

- ✓ **Premium Grade:** ECO-CERT PLY is made from premium BIRCH veneer. This creates an excellent working surface and beautiful finish.

- ✓ **Solid 5ply Core:** ECO-CERT PLY is a full 6mm (1/4") thick, which is required by many commercial vinyl producers. It has a premium, #1 calibrated core, which provides an exceptionally smooth and uniform surface.

- ✓ **Delamination FREE:** Guaranteed not to delaminate. Solid exterior glue line and superior manufacturing insure problem free performance.

- ✓ **No Bleed Through:** Natural wood color is guaranteed not to bleed through your light colored vinyl floors.

- ✓ **Protective Packaging:** Meticulously inspected and packaged. You can be sure that your product will arrive damage-free.

- ✓ **Nail Pattern:** Our engineered nail patter allows for problem free installation.

- ✓ **Easy To Use:** Simply Score and Snap ECO-CERT PLY with a knife and straight edge. Makes installation quick and easy.

- ✓ **CARB Certified:** Available in CARB compliant panels upon request.

6mm Full 1/4" Thickness
