## The Best in Flooring

Style, durability, and American craftsmanship. Hilltop Homestead SPC Rigid Core Flooring delivers it all. Proudly made in America and BABAA qualified, this premium waterproof flooring combines advanced technology with authentic, natural wood designs for a look that lasts. Its tough, 20 mil wear layer protects against water, stains, and heavy traffic, while the simple click installation system makes setup quick and efficient. Beneath its beautifully realistic surface lies a comfort-enhancing, sound-reducing pad, creating a floor that performs as well as it looks.
