

The Betsy Ross Collection

"Data Sheet"

The Betsy Ross collection, which is grown and manufactured in the USA, features a wide selection of handcrafted designs and colorways, making it one of the most versatile engineered wood flooring products. Its scratch-resistant aluminum oxide finish coat helps it retain its rich and natural qualities, while wide-plank width offers good resistance to warping, allowing it to be installed on multiple grade levels, including ground floors.

- Edge Profile: Microbevel
- Finish/Top Coat: Scratch Resistant Aluminum Oxide
- Installation: Glue, Staple or Float
- Grown and made in the USA
- CARB II Compliant
- 25 year Residential Warranty
- 3 year Light Commercial Warranty
