Interiors

**A Fishman Brand Product**

## Quality Flooring for Every Building

The Terrain collection transcends conventional wood grain visuals. This captivating collection includes striking versatile plank options in a rich palette of sophisticated neutral tones and alluring colors. Crafted from 100% virgin material, Terrain features a 4-sided micro-beveled edge for a seamless finish. The flooring is UV coated with a ceramic bead, ensuring long-lasting durability and protection. Terrain also includes Vanquish, an organic antimicrobial/anti-bacterial technology making the collection a smart choice for both commercial and residential settings.
